INTERCHANGEABLE GUIDE

INTRODUCTION

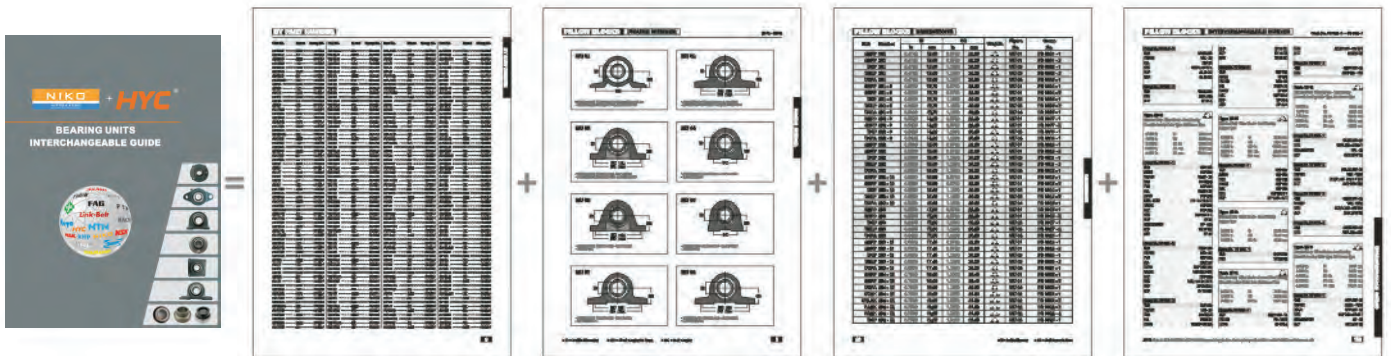

Before you is a practical book about Bearing Units and spherical outside ball bearings named « NIKO + HYC BEARING UNITS INTERCHANGEABLE GUIDE ». It is a practical guide book according to the marketing experience of some businessman in NIKO + HYC Bearing Units, Inc. Some well-known interchangeable guide are included for reference. With the book in hand, the users and marketing businessmen can easily deal with some practical problems and find it convenient to find out the relations between different brands of Bearing Units and have more choices as well.

The book provides 12751 types of Bearing Units from 15 well-known brands and 2422 types of Bearing Units from NIKO + HYC Interchangeability between all 15173 types of mounted units of NIKO + HYC and other 16 brands are listed under different Group Number together with some Graphic and some key technical dimensions.

16 in NIKO + HYC

There are four parts in the book.

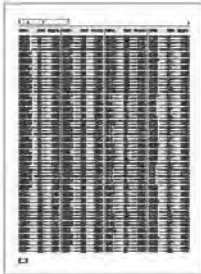

- 1. BY PART NUMBER:** In this part, we list 15173 types of Bearing Units and spherical outside ball bearings from NIKO + HYC and other 16 brands by part number of 0 to 9, A to Z. Group Number will also be given out.
- 2. FIGURE NUMBER:** In this part, 35 figures from 4 series of Bearing Units and spherical outside ball bearings are listed together with the name of products, graphic and the meaning of the key dimensions.
- 3. DIMENSIONS:** Number of all 2422 types of NIKO + HYC products are given out together with key dimensions, graphic figure number and group number.
- 4. INTERCHANGEABLE GUIDE:** Interchangeable guide is the characteristic part of this book. In this part, the author lists the interchangeable relations of 12751 type from 15 brand and 2422 types from NIKO + HYC

You can easily look up the corresponding type to a certain Bearing Units in this book.

— . Look up a suitable type from **NIKO** + **HYC** to a certain size of Bearing Units.

1. See the **Group NO.** in **BY PART NUMBER** in **ASAHI UCP 205**.
